Re: TSCA Subpoena No. HQ-TPED-01, Evers Video

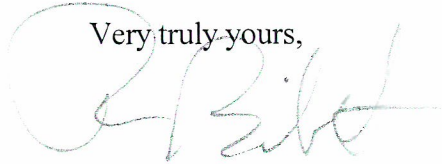

Dear Mr. Garvey:

Enclosed are copies of the videotapes (3 volumes) of the April 30, 2004, deposition of Glenn R. Evers, which EPA specifically requested from us through your letter of November 15, 2004, pursuant to EPA's previous July 22, 2004, TSCA Subpoena No. HQ-TPED-01. Also enclosed is a copy of the letter from DuPont's counsel dated May 26, 2004, confirming that DuPont did not designate any portion of Mr. Evers' deposition transcript or the related video as "confidential" under the terms of the Stipulated Protective Order referenced in your November 15, 2004, letter. To the extent EPA believes that there is any other "information related to the Glenn R. Evers deposition" falling within the scope of your November 15, 2004, request that is either not included within the enclosed materials nor previously produced by us pursuant to TSCA Subpoena No. HQ-TPED-01, we request that EPA specify what additional

information, if any, it is seeking. Otherwise, we understand that production of the enclosed materials fully and completely satisfies EPA's request for the additional documents set forth in your November 15, 2004, letter.

Very truly yours,
